

Light Microscope Vendors for Southern Arizona

Douglas W. Cromey, M.S. - Cellular Imaging Core, Southwest Environmental Health Sciences Center

NOTE: I try to keep this information current; however, it does change on a regular basis. This information was current as of: 4/14/2009.

Need a microscope repaired or cleaned?

Optical microscopes should be cleaned periodically and repaired as needed. Here is the contact information for factory authorized service for the four major microscope vendors:

LEICA	Leica service: Scott Sullivan, 866-830-0735 McBain Instruments , 800-675-4356, http://www.mcbaininstruments.com/ Local Service Representative: Bob Waldrop - cell # 480-773-1685 (NOTE: Leica includes older microscopes by: Leitz, Wild, AO, Baush & Lomb, Reichert)
NIKON	*
OLYMPUS	Leeds Precision Instruments, Inc. , 800-444-5333, http://www.leedsmicro.com/ Local Service Representative: Mike Emery - (voice mail x-261) <i>*(Note: Leeds can also service Nikon microscopes)</i>
ZEISS	Carl Zeiss, Inc. - service (based in AZ), 800-633-6610

If your microscope only needs to be cleaned or have small repairs, there are two local options:

Maryott Optical Services (Tucson, AZ) - Michael Maryott has provided over 40 years of service to the UA, with experience working for Leica, Zeiss and Olympus. M.O.S. provides same week service & repair, on site. Mr. Maryott can be reached at 624-8087 (office) or 275-3507 (cell). <http://www.maryottmicroscopes.com>

Southwest Precision Instruments (Tucson, AZ). Dr. Bob Chiovetti has worked in sales, service and technical support for a number of the major microscope companies. He provides service, repairs and maintenance for all brands of microscopes. Dr. Chiovetti can be reached at 546-4986. <http://www.swpinet.com/>

Want to buy a microscope or a part for an existing microscope?
